

Contexts and Culture: Culture

How are we doing?	Self-evaluation (based on HGIOS 6 point scale)	Priorities for improvement	Planned Actions	Impact What are your aims?	Self-evaluation following interventions	Next steps
Culture is embedded within all aspects of our learning, supporting learners' growing understanding of, and connection to, the language being learned and promoting a sense of global citizenship.						
We learn both about culture and through culture, exploring cultural contexts, intercultural learning opportunities and developing our understanding of the importance of culture to us and to others.						
We develop learners' intercultural skills by engaging with and reflecting upon real-world contexts, partnerships, and resources.
